# Introduction

## ***The Business Travel Experts***

The unique value of the Swiss brand is communicated by many companies such as Swiss Army Knife Manufacturers, Watch Manufacturers, Banks and many more.

A major strength of Swiss companies is the ability to network among themselves in order to achieve the maximum service level and exposure it in the world market. After all, Switzerland is a very small country but proud to be one of the most innovative among all the industrial nations!

What else do you need? The Swiss Travel Products are all you will ever need for travelling!

Swiss Design, Swiss Engineering
